Please complete all sections of this chart for each outside scholarship/resource awarded. If you need more space, please continue this list on a separate sheet and attach.

Name of Outside Scholarship and Awarding Organization or Employer (not including Saint Joseph's College)	Amount to be paid before 12/1/10  FALL	Amount to be paid on or after 12/1/10  SPRING	Will check be payable to College, Student, or Both*?	Is this assistance renewable?
<b>TOTAL</b>	\$	\$		

\* Only those scholarships which are paid to the College or College/student will be shown as pending aid on the billing statement.

I understand that the College may use one-time outside aid to reduce unmet institutional need. If necessary, the first adjustment is made to the Federal Perkins or Nursing Student Loan. Only then does the College consider reducing grant assistance. Renewable scholarships are considered on a case by case basis.

I certify that the above information is true and complete to the best of my knowledge. I have attached copies of all scholarships received or have previously forwarded them to the Office of Financial Aid. I have included those funds that are paid to the College and those that have been or will be paid directly to me for my education expenses. I agree that I will update this form as I receive additional scholarship information.
