## COMING SOON!

### ARMY MEDICAL CORP: Opportunities for nurses and students intending to apply to healthcare related graduate programs
**NOVEMBER DATE PENDING**

The Army Medical Corp recruits students interested in Nursing, Physician Assistant, Medical, Dental, PT and other Healthcare advanced degrees. The Army will pay for graduate school in return for a commitment of Army service in a healthcare practice following your receipt of the degree. Join us to hear from nurses and physician assistants who have participated in this program and are now serving in the Army as healthcare professionals.
