

## Access *The Chronicle of Higher Education* online!

---

### On-campus

On any computer connected to the SJC network, go to <http://www.chronicle.com>. All subscriber content should be accessible.

### Off-campus - Two options:

1. Go to <http://www.chronicle.com>. Click on the **Create a Free Account** link at the top, right side of the page. Enter and confirm your SJC email address, and then follow the steps on the account setup pages.

*If you already have an account with your “@sjcme.edu” email address, the CHE system should recognize that you are from a subscribing institution. You should not have to do anything additional to now access subscriber content.*

2. If you do not have an “@sjcme.edu” email address or do not want to create an account with CHE, you will not be able to go directly to <http://www.chronicle.com> and access subscriber content. Instead -

  - b. Click the link to the **Online Journal Portal**.
  - c. Search for *Chronicle of Higher Education*.
  - d. In the results, click the link to **Wellehan Library's Online Journal Collection**.
