

St. Joseph's College of Maine has reached a proposed settlement related to a cybersecurity incident that may have impacted certain individuals' Private Information.

What Happened?

In March 2025, a cybersecurity incident was reported by St. Joseph's College of Maine. A Lawsuit was filed alleging that Private Information held by St. Joseph's College of Maine was impacted by this incident.

Settlement Overview

The Court did not decide in favor of the Plaintiffs (the individuals that filed the Lawsuit) or St. Joseph's College of Maine. St. Joseph's College of Maine denies the allegations and all liability with respect to the facts and claims made in the Action. Plaintiffs and St. Joseph's College of Maine agreed to a settlement to avoid the costs and risks of a trial, and through the Settlement, Settlement Class Members are eligible to claim benefits. The Plaintiffs and their attorneys, who also represent the Settlement Class Members, think the Settlement is best for all Settlement Class Members.

Who is included in the Settlement?

The Settlement Class consists of all individuals, or their respective successors or assigns, who reside in the United States and whose Private Information was impacted by the Security Incident St. Joseph's College of Maine reported in March 2025.

To learn whether you are included in the Settlement, please contact the Settlement Administrator at 1-800-313-5540.

What does the Settlement provide?

If you are a member of the Settlement Class, you may be eligible to receive:

- Reimbursement for out-of-pocket expenses
- Compensation for time spent addressing the incident
- Free credit monitoring and identity protection services
